

OPERATIONS MANUAL

HEE HAW CLOCK

IMPORTANT: The following instructions must be followed exactly to ensure that the correct sound is heard each hour.

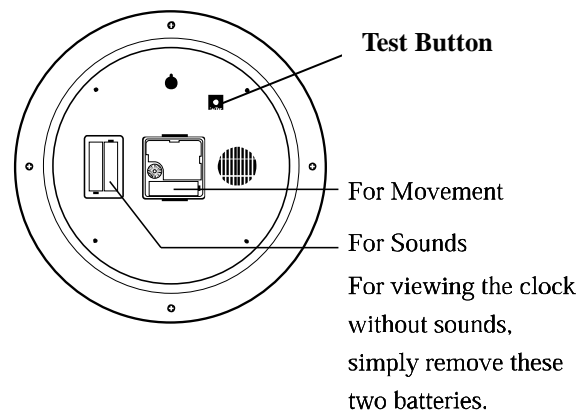

SETTING THE TIME (Remove batteries before beginning)

- 1) Turn the hand set knob in rear of movement clockwise or counterclockwise to read 10 minutes before 1:00 o'clock (12:50)
- 2) Insert 3 "AA" size batteries (not included) into the battery compartments.
Make sure that the battery polarity (+/-) is as indicated.
- 3) Turn the handset knob to adjust to desired time.

Note: Each time the set test (red) button is pressed, this resets sounds to the next hour. If pressed, you must follow the instructions above to reset properly or you will not hear the correct sounds with each hour.

HOURLY SOUND

- 1:00 –Don't that sop your gravy?
- 2:00 –There ought to be a law against that.
- 3:00 –"Gloom, Despair and Agony on Me"
- 4:00 –Hey, wouldn't that churn your butter?
- 5:00 –Wouldn't that cock your dang pistol?
- 6:00 –Hee Hawing donkey sound
- 7:00 – Wouldn't that button your zipper
- 8:00 –Don't that fry you're your taters?
- 9:00 –"PFFFT You Was Gone"
- 10:00 –You don't have to hang from a tree to be a nut.
- 11:00 –Hey, wouldn't that shuck your corn?
- 12:00 –"Hee Haw Honky Tonk" – theme song.

LIGHT SENSOR

This clock has a silence function controlled by a light sensor positioned above the 12 o'clock position. The light sensor automatically turns the sounds off when the room is dark.

GENERAL INFORMATION

- 1) To clean the outside surface, use a clean, dry, soft cloth to wipe away fingerprints or dust.
Do not use any solvents or abrasive cleaners or polish.
- 2) Replace the batteries if the timekeeping becomes erratic or hourly sounds become abnormal, as this may be an indication that batteries are becoming worn.

BATTERY NOTICE

Do not mix old and new batteries. Do not mix alkaline, standard (Carbon-Zinc), or rechargeable (Nickel Cadmium) batteries.

To avoid leakage or explosion, do not put batteries in fire.
